

2011 ANNUAL CAMPUS SECURITY AND FIRE SAFETY REPORT

The University of Oregon (UO) Annual Campus Security and Fire Safety Report is published each year to provide crime and fire statistics and information on safety and security related services offered by the university, in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.

This report is prepared with data and information provided by the UO Department of Public Safety (UODPS), the Office of the Dean of Students, the Office of Emergency Management, the Office of Environmental Health and Safety, campus security authorities and various law enforcement agencies that provide services to UO properties within their jurisdictions. The report summarizes university and campus safety and security programs and contains policies and procedures designed to enhance personal safety at the University of Oregon.

The 2011 Annual Campus Security and Fire Safety Report is posted on the [UODPS website](#) in PDF format. Fire, crime and disciplinary referral statistics are at the end of the report; scroll down to desired page, use the links within the Table of Contents, or use the Adobe Bookmarks icon to jump to an individual section.

For more information regarding campus safety or to request a paper copy of the report, contact UODPS at 541-346-0670, email the [Clery Coordinator](#), or write to the department at 2141 East 15th Avenue, Eugene, OR 97403.

MESSAGE FROM THE PRESIDENT

Welcome!

The University of Oregon is a community of individuals dedicated to teaching and research. We are committed to making everyone on our campus safe, enhancing public safety through education and prevention.

We provide a variety of services through the Department of Public Safety and other departments, including a security shuttle bus, personal safety tips, sexual assault prevention, survivor assistance and officer patrols. Please take the time to inform yourself about these programs. Do not hesitate to ask the Department of Public Safety staff any questions you may have about your personal safety. You will find that the staff members are interested and welcome the opportunity to assist with your concerns. Public safety is the responsibility of everyone, both as individuals and as members of our community. Please exercise personal and community responsibility during your time at the University of Oregon.

With your help we can meet the goal of providing a safe, secure environment for the free, open and civil exchange of ideas within an international community.

All the best,

Richard W. Lariviere
President

INTRODUCTION AND PURPOSE

In 1998, the federal government passed the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, or the Clery Act. This law requires colleges and universities receiving federal funding to publish an annual report disclosing campus security policies and three years of selected crime and fire statistics, to make timely warnings to the campus community about crimes that pose an ongoing threat to students and employees, and to post a public crime log.

The University of Oregon is a city within a city, complete with a complex network of departments and personnel needed to run smoothly. Located in the Eugene-Springfield metropolitan area of 216,000 in Oregon's southern Willamette Valley, the university is a hub of activity for more than 23,000 students and 4,400 employees. The 2011 Annual Campus Security and Fire Safety Report details important efforts to prepare for, provide and enhance the safety needs of the community. The following report meets federal requirements for annual reporting of incidents on campus, including the Higher Education Opportunity Act of 2008 related to the Jeanne Clery Act, emergency notification and fire safety reporting.

The purpose of the Clery Act is to provide students, families and employees with accurate, complete and timely information about campus safety so that they can make informed decisions. The University of Oregon Department of Public Safety (UODPS) publishes the Annual Campus Security and Fire Safety Report in compliance with the Clery Act, and also offers it as a resource guide, directing readers to campus safety and security services and providing crime prevention and personal safety guidance and strategies.

This report also includes information and policy statements regarding campus security and safety, for example, crime prevention, security awareness, fire safety, alcohol and substance abuse, sexual assault, procedures for reporting a crime and emergency and evacuation procedures, as well as other matters of importance to the campus community.

CLERY ACT COMPLIANCE

The Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act, as a part of the Higher Education Act of 1965, is a federal law that requires colleges and universities to disclose certain timely and annual information about campus crime and security and fire safety policies. All public and private institutions of postsecondary education participating in federal student-aid programs are subject to it. The act includes:

- Publishing an annual report disclosing campus security policies and three years of selected crime and fire statistics.
- Making timely warnings to the campus community about crimes that pose an ongoing threat.
- Keeping a public crime log.
- Upholding basic rights to victims of sexual assault.
- Making accurate crime statistics available to the U.S. Department of Education, which centrally collects and disseminates campus crime statistics at the national level.
- Facing possible fines from the U.S. Department of Education when schools fail to comply with the Clery Act.

THE MAKING OF THE ANNUAL REPORT

The Annual Campus Security and Fire Safety Report is published on the UODPS web site annually. This year's report reflects crime and fire statistics that were reported in 2008, 2009 and 2010. Statistics for the current calendar year will appear in the report for the following academic year. The Annual Campus Security and Fire Safety Report is published in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act.

Crime statistics include certain categories of crimes¹ and judicial referrals required for disclosure under the act which occurred on campus, in campus buildings, non-campus buildings and properties owned or controlled by the University of Oregon (UO) and on public properties immediately adjacent to and accessible from the UO campus.

Campus crime, arrest and judicial referral statistics include those reported to UODPS, campus security authorities (as defined by federal law), judicial affairs and law enforcement authorities in whose jurisdiction UO properties reside. UODPS discloses all incidents reported to the department that fall into any of the required reporting classifications as a statistic in the annual report. Fire statistics, provided by the Office of Environmental Health and Safety, are those which occur in student residential facilities.

The UODPS Clery Coordinator is responsible for collecting and compiling crime and fire statistics and for publishing the report. In addition to crime and fire statistics, program and policy statements are collected from the Office of the Dean of Students, the Office of Emergency Management, the Office of Environmental Health and Safety, and University Housing, which are included in this report.

The Annual Campus Security and Fire Safety Report is released by October 1st of each year, in compliance with state and federal crime awareness and campus security legislation, including The Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The report may be viewed on the [UODPS website](#). To request a paper copy of the report, contact UODPS at 541-346-0670, or write to the department at 2141 East 15th Avenue, Eugene, OR 97403.

Notification Process

By October 1st of each year, all enrolled students and employees receive an email notification regarding the content and availability of the Annual Campus Security and Fire Safety Report. The email provides information regarding how to access the report.

The electronic postcard (see below) is distributed via email to:

- All faculty and staff
- All students (currently enrolled and those who have applied by October 1st)

Prospective students who do not fall into the above category receive the notification as part of an information packet.

Notification is also posted in the following locations:

- Human Resources website (for prospective employees)
- Admissions website (for prospective students)

¹ For Clery crime categories and definitions see page 40.

October 1, 2011

Dear University of Oregon Faculty Member, Staff Member, Student, or Prospective Student:

In compliance with federal law, the University of Oregon prepares an annual report on campus security and fire safety programs and services. The 2011 Annual Campus Security and Fire Safety Report is available online at <http://safetyweb.uoregon.edu/annual-report>.

The report includes crime statistics for the previous three calendar years concerning reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by the University of Oregon; and on public property within or immediately adjacent to and accessible from the campus. Fire statistics for the previous three calendar years are included.

The report also includes information and policy statements regarding campus security and safety, for example, crime prevention, security awareness, fire safety, alcohol and substance abuse, sexual assault, procedures for reporting a crime and emergency and evacuation procedures, as well as other matters of importance to the campus community.

You may request a paper copy of the report from the University of Oregon Department of Public Safety at (541) 346-0670, or write to the department at 2141 East 15th Avenue, Eugene, OR 97403.

Crime Statistics Reporting Policies and Procedures

UODPS is responsible for gathering statistics for criminal activity on and near campus, identifying reportable crimes and delivering reports of this data annually. Federal requirements mandate that crime reports be delivered to the FBI at the U.S. Department of Justice and made public, while the Clery Act requires reports be disseminated to the U.S. Department of Education and delivered to members of the campus community.

Statistics that have been compiled are reported in different formats and categories depending upon legal requirements of each report. Reports made to the FBI, for instance, require the inclusion of different kinds of crimes from those required by the Jeanne Clery Act, while the Jeanne Clery Act requires its statistics to be reported from a wider geographic area than does the FBI (e.g., incidents on adjacent public property and student organization properties are Clery-reportable). The Clery Act also requires reports of student disciplinary referrals in addition to arrests for drug, alcohol and weapons offenses. The University of Oregon provides the option of confidential and anonymous reporting and while these statistics are not reportable per local, state, or federal law enforcement guidelines, they are Clery-reportable.

UODPS begins in January of each year to collect crime statistics from the previous calendar year by submitting written requests to various reporting entities. When criminal activity occurs outside of the jurisdiction of UODPS (e.g., a fraternity located off campus), a local law enforcement agency follows its own procedures to create a police report for each incident. This agency will then, upon the request of UODPS, submit its statistics. When this data is received, it is reviewed, particularly to ensure that there are no duplications in reporting efforts between UODPS and outside reporting agencies. Although every effort is made to avoid duplication of reports received from non-police campus security authorities and other police agencies, an individual incident may be reported to us, and thus counted as a statistic, more than once.

When a crime is reported, individual reports may be forwarded to other units and/or agencies for follow up. In some cases involving lesser offenses, the report will be forwarded to the Office of the Dean of Students, Student Conduct and Community Standards for adjudication through the campus's disciplinary referral process. These types of incidents are Clery reportable; listed as Disciplinary Referrals in the Crime Statistics section of this report.

Further inquiries or comments please contact the [Clery Coordinator](#).

A SAFE CAMPUS TEAM EFFORT

The University of Oregon Department of Public Safety (UODPS) is a community-oriented, trust-based public safety agency. Our community-oriented policing approach fully engages our campus community in identifying and addressing problems through a collaborative process.

UODPS is committed to adopting a problem-solving model, where criminal behavior is addressed at the root causes. UODPS officers are encouraged to try innovative methods in working closely with the community served.

Along with the patrol division, UODPS has a Safe Campus Team, which includes officers from the Community Engagement Unit, the Crime Analysis and Investigations Unit, the Targeted Crimes Unit and the Event Management and Tactical Preparedness Unit. UODPS also closely partners with other local public safety agencies and organizations.

It is the responsibility of each person to contribute to the safety of the entire community by taking action when necessary to prevent crime, particularly crimes of violence. Campus safety and security is a shared responsibility, which takes a team effort to be effective.

Members of the campus community are invited to report concerns to UODPS. Students may also report concerns to the Office of the Dean of Students, to their University Housing complex director, or to Sexual Assault Support Services.

SECURITY AWARENESS PROGRAMS

Safety in On-Campus Housing

Residence Halls

With approximately 3,800 students living in campus residence halls, the University of Oregon continually strives to develop shared responsibility for safety in its student population. Residence hall staff members work with UODPS and residents to identify and resolve security problems. Student safety and security starts with students. Crime prevention strategies are learned behaviors. Safe behaviors learned at college will serve students well now and in the future. The UO urges students to practice safe behaviors as soon as they move in. Safety education is emphasized during the first two weeks of the academic year. Residents receive information on safety and security at the first residence hall meeting of the year. Students are given specific instructions to keep room doors locked at all times, to avoid lending keys or propping open doors and to report strange or unusual behavior and unexpected, unknown visitors to UODPS.

Residence hall exterior doors are kept locked at all times with the exception of buildings that provide dining services. Every resident has a room key and an outside door key, or an access control card. In addition, each residence hall room has an active phone line. Residents are required to bring their own phone.

Residence hall complexes have full time, live-in professional complex directors and student staff members who are trained on safety and security protocols. Staff members are available to assist students twenty-four hours a day, seven days a week.

During the academic year, and particularly during the early days of fall term, hall residents are encouraged to register their bicycles, and informed about the services offered by UODPS.

Family Housing and Apartments

University Housing and University Apartments operates three areas of housing: East Campus, Spencer View and Graduate Village, which totals approximately 450 units and an average population of 950 family members, student roommates and single students. Family Housing and University Apartments works with UODPS and residents to identify and resolve security problems.

All Family Housing units are governed by the landlord tenant law, except Graduate Village, which is on an academic year contract. Trained staff members are present at each Family Housing and University Apartment complex, including a full-time, live-in professional Area Director (AD) for Family Housing who is on duty from 8:00 a.m. to 5:00 p.m. weekdays. Additionally, after-hours Community Assistants (CAs) are on duty from 5:00 p.m. to 8:00 a.m. weekdays and twenty-four hours a day on weekends and holidays. All staff who work within Family Housing and University Apartments, including maintenance personnel, wear official university name badges for easy identification.

Residents are advised of UODPS services and the opportunity to restrict directory information. Residents are encouraged to participate in their local Tenant's Council, where they can develop programs such as neighborhood watches and provide input to the university about how the campus can be made safer. Tenants also receive a monthly newsletter that includes security updates. Department staff survey nighttime lighting levels to assess and improve exterior lighting and keep shrubs and trees trimmed around buildings to improve visibility.

Safety in Off-Campus Housing

Ten residential sororities and twelve residential fraternities are affiliated with the University of Oregon. Each house corporation establishes stringent safety rules for the sororities and fraternities. Officers from UODPS are frequently invited to the Greek houses to discuss safety.

Many other students live in privately owned housing close to the campus. The university's Campus Partners meets quarterly to address issues that arise from residential areas near campus. Task force members include students, administrators, police officials and neighborhood representatives. This has proven to be a strong force for both prevention and response.

Training Programs

Throughout the academic year, safety training sessions for students are offered, ranging from for-credit courses to single sessions during Week of Welcome, the fall orientation for new students. Parents and students hear about campus safety programs and services during IntroDUCKtion, the summer orientation and registration for new students.

Safety is also addressed during Week of Welcome. During orientation, students and staff members are briefed on safety. Bicycle owners must register with UODPS to aid in identification and recovery of stolen bicycles. Bicycle registration and security information is available at several campus locations during Week of Welcome and is always available at the Department of Public Safety.

Department leadership and other public safety personnel frequently speak to student and staff groups, including resident assistants and the Residence Life professional staff in University Housing, sororities, fraternities and other student organizations. UODPS also offers security risk assessments and crime-prevention presentations.

In addition to training sessions, courses and crime prevention presentations, information is disseminated to students and employees through crime prevention awareness packets, displays, videos, articles and advertisements in university and student newspapers.

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

CRIME PREVENTION PROGRAMS

Crime prevention programs related to personal safety and theft prevention are sponsored by the Safe Campus Team's Community Engagement Unit and various campus organizations. Throughout the year, UODPS personnel facilitate safety programs for students, parents and faculty, along with student organizations and community organizations. Some of these crime prevention programs include personal and property safety awareness orientations, providing safety awareness brochures, safety presentations, safety booths and security risk assessments.

Throughout the year, UODPS provides security awareness and crime prevention programs at the following venues to include:

- IntroDUCKtion
- Week of Welcome
- Intermingle Fair
- New Student Orientation
- American English Institute (International Students)

- UO Health Center - Workplace Violence
- Residence Hall Opening Meetings
- New Employee Orientation
- Fraternity and Sorority Life Presentations

In addition to safety awareness and crime prevention programs, UODPS offers the following services:

- Bicycle registration and permits
- Laptop registration
- Moped, motorcycle and vehicle registration and permits
- Personal safety presentations
- Theft prevention consulting
- Office equipment cabling program
- Low-cost bike and car locks

UODPS and student run campus organizations also provide safety escorts and shuttle services.

- Safe Ride Shuttle
- Designated Driver Shuttle
- UODPS Safety Escorts

Crime Prevention Tips

UODPS regularly communicates the following information to students, faculty and staff.

Office Security

Protection of property begins with willingness to take a few simple steps:

- Never leave purses, wallets, or other valuables unattended or lock them in a drawer or closet.
- Never leave keys lying around.
- Cash left in plain sight on a desk or in an unlocked drawer is a great temptation to thieves.
- Request authorization from persons asking for confidential information or from delivery or repair people who want to enter an area restricted to employees.

Key Control

- Those responsible for office keys should not leave them unattended, in plain sight on a desk, or in a top drawer where they could be taken or copied easily.
- Give keys only to those who have a legitimate need and make sure they are returned.
- If keys are lost or stolen notify UODPS immediately.
- For more information, see the Access Control page.

Property Protection

Theft is always a concern on campus, to reduce the risk of being victimized:

- Engrave personal property, such as electronic or sporting equipment, with an Oregon Driver's License number, like this: **OR123456DL**.
- Keep a written record of all personal valuables, including descriptions and serial numbers. It is evidence that the property belongs to the rightful owner.

Bicycle Theft

- Never leave a bicycle unlocked. It only takes a moment to steal an unlocked bicycle.
- U-lock style locks are best. Cables and padlocks can be cut easily.
- Lock the bicycle frame to a bike rack or other secure object. Front wheels can be easily removed.

- Bicycle registration is mandatory on campus. Always register bicycles with UODPS. This service is free of charge.

Personal Safety

The most effective deterrence against crime is common sense, alertness and a few basic precautions.

- If working late, arrange to leave with a co-worker or call UODPS for Safety Escort assistance. Lock doors and windows if working late alone.
- Refrain from getting in elevators with people who look out of place or behave in a strange or threatening way. Always immediately report suspicious people or conditions to UODPS.
- If being followed, go to an office where there are other people.
- When walking to a vehicle or home from work vary the route.
- Be alert to any suspicious persons or vehicles.
- Carry a fully charged cell phone with emergency numbers pre-programmed into the device.

Parking Lot Safety

- Lock vehicles at all times.
- When returning to a vehicle, have the keys out while approaching. Check the interior.
- If suspicious persons are lurking in the parking lot, notify UODPS immediately.
- Remove all valuables from vehicles. Leave them at home or lock them in the trunk.
- If working late, ask a co-worker for an escort to the parking lot or call UODPS.

In a Threatening Situation

- The best defense is avoidance and following instincts.
- Decide what to do in various situations before they occur. Try role-playing with a friend.
- If confronted by someone who only wants property, give it to them.
- Try to get an accurate description of the assailant. If a vehicle is involved, get the license number and call UODPS.

Incident Reporting

- Report all crimes, no matter how minor they may seem. Notify UODPS of all suspicious persons or activity.
- If suspicious people or activity is observed, notify UODPS immediately.
- Post 9-1-1 (the city emergency number) and UODPS phone numbers near the phone.
- Report any broken or flickering lights, dimly lit corridors, doors that don't lock properly, etc. to UODPS.
- For further information on reporting, see the UODPS Crime Reporting page.

Important Phone Numbers

- UODPS Emergency Assistance: 541-346-6666
- UODPS Non-Emergency: 541-346-2919
- Central Lane Communications: 9-1-1
- Eugene Police Department Non-Emergency: 541-682-5111

Campus Safety

When crimes occur on campus, UODPS wants the campus community to be well informed. The goal is to keep students, faculty, staff and the campus community aware so take precautions can be taken to avoid becoming a victim of a crime. The UODPS Crime Analysis and Investigations Unit constantly tracks, evaluates and distributes crime data. For questions or information requests, call UODPS at 541-346-5444 or email by using the feedback form at safetyweb.uoregon.edu.

Safety Tips:

- Stay alert and plan ahead for “What if...”
- Always be aware of surroundings and avoid any situations that are uncomfortable.
- Use the “buddy system” while out and about. There really is “strength in numbers.”
- If possible, do not walk or jog alone after dark.
- If going out alone, let someone know where and a return time.
- If suspicious activity is witnessed, call 9-1-1.
- If walking at night, remember the following:
 1. Always carry a fully charged cell phone, with emergency numbers pre-programmed.
 2. Do not wear head phones while walking or jogging.
 3. Avoid isolated or dark areas.
 4. Walk near curbs, away from alleys and doorways.
 5. Walk at a brisk pace; be aware of anyone walking behind or nearby.
- If threatened, attract attention by making loud noises or by screaming. Use of an LED flashlight or a whistle can also attract attention.
- If in a threatening situation, seek out safe place or a place where there are groups of people. like a business. Call 9-1-1 immediately.
- Take appropriate steps to secure personal property.
- Never leave valuables unattended for any amount of time.
- Never leave valuables in plain view inside a vehicle.
- Always lock all doors and windows.
- If using a bicycle, use only a U-Bolt type lock. Steel cable locks can be easily cut in less than three seconds.
- Take note of the approximately thirty emergency blue-light telephone boxes on campus, which are indicated on university maps. Call boxes are activated by pushing a button, and a public safety officer will respond to the site, even if no conversation occurs. Do not hesitate to use these when needed.
- A campus night map provides locations of emergency callboxes (located throughout campus and in parking lots), lighted walks and bus stops.
- Associated Students of the University of Oregon (ASUO), the student government, operates a shuttle service during the evening hours. Call 541-346-RIDE (7433) for free reservations. UODPS also provides a campus-wide escort service. For information, call 541-346-5444.

CRIME REPORTING METHODS

- Dial 9-1-1 for emergencies:

Dialing 9-1-1 from any public pay phone or cell phone reaches Central Lane Communications Center. Emergency services (police, fire, paramedics and ambulance) are dispatched from this center to Lane County residents.

- Dialing 6-6666 from any campus phone or 541-346-6666 from a cell or home phone reaches the UODPS emergency line. UODPS campus officers, Eugene city officers, fire department, paramedics and ambulance services are dispatched from this center.
- Contact UODPS at 541-346-2919 for non-emergencies, to report a crime, or to report security related issues.
- Make a report in person at UODPS at 1319 E 15th Ave (Straub Hall).
- Use an emergency phone:

Emergency phones are located prominently throughout the campus and provide a direct line to UODPS. They are clearly indicated on the Parking and Transportation Map, on the Campus Night Map, and on the map in the bicycling brochure, all available at the UODPS office. If planning to spend time on campus please become familiar with the appearance and location of these phones. Emergency phones are also located inside Lawrence Hall and Knight Library. The department will evaluate the need for additional emergency phones at the request of groups on campus.

- Online Reporting

The Department of Public Safety provides online non-emergency crime reporting for the campus community. After the report has been submitted electronically, a UODPS officer will contact the complainant to verify the report details and ask any questions if necessary.

Online reports are not official reports. Only the printed copy, signed by the reporting officer and containing a UODPS case number, is considered the official copy. Online report forms are intended to facilitate the

report process by providing officers with pertinent information about the incident in a timely manner. An official report will be prepared and submitted by the officer through the reporting system.

- Silent Watch

An online report form is available to confidentially and anonymously report non-urgent suspicious conditions or criminal activity. This report program was created in an effort to involve campus community members in community policing.

- Anonymous Tip Line

The UODPS Anonymous Tip Line, 541-346-2974, is another method for anonymously reporting any criminal or suspicious activity. Call 541-346-2974 24 hours a day. This line is checked daily.

- Sex Offense Reporting

When a sex offense is committed, it is imperative that a report is filed as soon as possible with UODPS or the Eugene Police Department (EPD). Victims and witnesses may call 9-1-1, or to report the incident to UODPS call 541-346-2919. To report the incident to EPD call 541-682-5111. If assistance is needed in notifying authorities, institutional personnel will assist with the process.

For support services, UODPS coordinates with the University Counseling and Testing Center, the Office of the Dean of Students, the Office of Human Resources, the University Health Center, the Office of Affirmative Action and Equal Opportunity and other campus and community resources.

After an assault, UODPS can arrange appropriate academic and living changes, counseling services, employee assistance programs and support from the victims' assistance program at the district attorney's office.

If the assault was committed by a student, he or she may choose to report the offense to the Office of the Dean of Students or the Office of Student Conduct and Community Standards. The office will attempt to resolve the complaint under the university's Student Conduct Code. If the student is found responsible, possible sanctions include expulsion, suspension, negative notation on the transcript, disciplinary probation, restitution, community service, loss of privileges, conduct reprimand and suspended sanction. For more information about this process, contact the Office of Student Conduct and Community Standards at 541-346-1140. To file a complaint about students' behaviors, fill out an online report at https://oregon-advocate.symplicity.com/public_report.

- Suspicious Activity

Any suspicious persons or activity observed in the parking lots or around vehicles, inside of residence halls or buildings should be reported to UODPS by calling 541-346-2919, unless a life-threatening situation, then dial 9-1-1.

- Criminal Activity

Any crime, no matter how small, is important to UODPS. Public Safety encourages all campus community members to promptly report crimes, which assists in the investigation and the apprehension of the perpetrator(s), aids in providing timely warning notices to the community when appropriate, may aid in the prevention of similar crimes, and ensures inclusion in annual crime statistics.

- Crime Awareness

Students and employees should be aware of crime in order to take the necessary precautions to avoid becoming a victim. UODPS informs the campus community of crimes that occur on or near campus via email, crime alerts posted on the UODPS website, UODPS Facebook and Twitter, the local media and The Oregon Daily Emerald, an independent student newspaper. A campus crime log is available in the UODPS West office for public viewing during business hours or may be viewed on the UODPS website.

- Additional locations to report a crime:

Associate Vice President for Student Affairs	541-346-2742
Assistant Vice President and Dean of Students	541-346-8128
Director of University Housing	541-346-2667
Director, Counseling and Testing Center (confidential reporting)	541-346-3227
Vice President for Student Affairs	541-346-1137
Vice Provost for International Affairs	541-346-5851
Vice Provost for Portland Program	503-412-3743
Director, Oregon Institute of Marine Biology	541-888-2581

To report a crime at other University of Oregon locations please see: Procedures for Accurate and Prompt Crime Reporting (below).

PROCEDURES FOR ACCURATE AND PROMPT CRIME REPORTING

Community members, students, faculty, staff and guests should report all crimes and public safety related incidents to the University of Oregon Department of Public Safety (UODPS) in a timely manner. Prompt reporting assists in the investigation and the apprehension of the perpetrator(s), aids in providing timely warning notices to the community when appropriate, may aid in the prevention of similar crimes, and ensures inclusion in annual crime statistics.

UODPS will investigate a report when it is deemed appropriate, and may forward reports to the Office of the Dean of Students for review and potential action.

If assistance is required from other agencies, UODPS will contact the appropriate unit. If a sexual assault should occur, staff on the scene, including UODPS, will offer the victim a wide variety of services. The University of Oregon has access to sexual assault support services available to assist a victim 24 hours a day.

Eugene Campus

To report a life-threatening emergency on or off campus, call 9-1-1.

To report an urgent, non-life threatening emergency on campus, dial 6-6666 from any campus phone or 541-346-6666 from a cell or home phone to reach the UODPS emergency line.

To report security related issues or a crime, call the UODPS non-emergency number at 541-346-2919, or use the [UODPS online reporting system](#).

To report a non-emergency or a crime that has occurred off-campus, call the Eugene Police Department non-emergency number at 541-682-5111 or use their [online reporting system](#).

UO in Portland

To report an emergency or a crime in progress, call 9-1-1. To report a crime that occurred earlier, call the Portland Police Bureau non-emergency number at 503-823-3333. To report security issues call Pacific Patrol Services On-Duty Supervisor at 503-710-8004 or contact any security officer on campus.

Pacific Patrol Services provides safety escorts for students and employees. Dial 503-710-8004 approximately 10-15 minutes before planning on leaving for the day and the officer will respond and provide an escort to the destination, quickly and safely.

Crimes that occur in UO facilities, to UO property or to UO faculty, staff and students should always be reported to UODPS in a timely manner to allow for follow up.

Oregon Institute of Marine Biology

To report an emergency or a crime in progress, call 9-1-1. To report a crime that occurred earlier, call the Coos County Sheriff's Department non-emergency number at 541-396-3121 ext.371.

Crimes that occur in UO facilities, to UO property or to UO faculty, staff and students should always be reported to UODPS in a timely manner to allow for follow up.

Pine Mountain Observatory

To report an emergency or a crime in progress, call 9-1-1. To report a crime that occurred earlier, call the Deschutes County Sheriff's Department non-emergency number at 541-693-6911 or call the Oregon State Police Prineville office at 541-447-4168.

Crimes that occur in UO facilities, to UO property or to UO faculty, staff and students should always be reported to UODPS in a timely manner to allow for follow up.

Oregon State University Cascades Program at Bend

To report a security issue on campus, call Campus Security at 541-383-7775 Monday - Friday 8:00 am - 4:30 pm. To contact Campus Security after hours, call 541-480-2418. To report an emergency or crime in progress, call 9-1-1. To report a crime that occurred earlier, call the Bend Police Department at 541-322-2960. If calling from an on campus phone, dial 9 to get out.

Crimes that occur in UO facilities, to UO property or to UO faculty, staff and students should always be reported to UODPS in a timely manner to allow for follow up.

UO Academic Extension, Chandler Building

To report an emergency or a crime in-progress, call 9-1-1. To report a crime that occurred earlier, call the Bend Police Department at 541-322-2960.

Crimes that occur in UO facilities, to UO property or to UO faculty, staff and students should always be reported to UODPS in a timely manner to allow for follow up.

All Other Locations

Criminal incidents occurring to UO facilities and property or to UO faculty, staff or students at off-campus locations should be reported to the local law enforcement agency where the crime occurs. UODPS should also be notified so that UODPS can monitor and track crime, provide any needed support services and perform follow up.

CONFIDENTIAL REPORTING PROCEDURES

As a result of the negotiated rulemaking process, which followed the signing into law, the 1998 amendments to 20 U.S.C. Section 1092 (f), clarification was given to those considered to be campus security authorities. Campus "Pastoral Counselors" and Campus "Professional Counselors," when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.

The rulemaking committee defines counselors as:

Pastoral Counselor

An employee of an institution who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling and who is functioning within the scope of that recognition as a pastoral counselor.

Professional Counselor

An employee of an institution whose official responsibilities include providing psychological counseling to members of the institution's community and who is functioning within the scope of his or her license or certification.

Other persons who have significant responsibility for campus and student activities and counsel or advise students and employees are not exempt from reporting, even if the counseling is confidential.

VOLUNTARY CONFIDENTIAL REPORTING

A victim of a crime who does not want to pursue action within the criminal justice system or through the University of Oregon, may still consider making a confidential report. The purpose of a confidential report is to comply with a victim's wish to keep the matter confidential, while taking steps to ensure the future safety of those involved and others. With such information, the University can keep accurate records of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

UODPS has two methods to file an anonymous report.

- The Silent Watch Program allows persons to report any crime in a confidential manner online, 24 hours a day. The Silent Watch website is located at: <https://safetyweb.uoregon.edu/silent-watch>.
- UODPS operates an Anonymous Tip Line, 541-346-2974, to allow persons to anonymously and confidentially report security and safety related concerns and to provide UODPS with "tips" about criminal incidents or suspicious behavior on campus. The Anonymous Tip Line is checked daily.

TIMELY WARNINGS

According to the Department of Education, in order to keep the campus community informed about safety and security issues on an ongoing basis, an institution must alert the campus community of certain crimes in a manner that is timely and will aid in the prevention of similar crimes.

In the event a situation arises, either on or near the University of Oregon campus, that, in the judgment of the University of Oregon Department of Public Safety (UODPS) Executive Director/Chief or a designee, constitutes a serious or continuing threat to students and employees, a campus wide timely warning will be issued as soon as pertinent information is available.

The UODPS Executive Director/Chief or a designee will develop timely warning notices to notify members of the UO community about serious crimes that occur on or near campus, when it is determined that the incident may pose an ongoing threat to members of the University community. Timely warning notices are usually distributed for Clery reportable crimes: Criminal Homicide, Sexual Assault, Robbery, Aggravated Assault, Burglary, Motor Vehicle Theft, Arson and Hate Crimes. Timely warning notices may be distributed for any emergent situation that may cause a threat to the health and safety of the campus community, such as a bomb threat, an active shooter on campus, or a riot. The list above is not inclusive and warnings may be issued for any serious or continuing threat to person, property or campus safety. Each incident is considered on a case-by-case basis, depending on the facts of the case and the information known by UODPS. For example, if an assault occurs between two known students who have a disagreement, there may be no ongoing threat to other campus community members and in this case a timely warning notice would not be distributed.

The UODPS Executive Director/Chief or a designee reviews and evaluates reports of incidents on a case-by-case basis as they occur on or near the University of Oregon campus to determine if the incident poses a serious or continuing threat to students and employees. Based on this information, timely warning notices are developed to notify the campus community about incidents. The Executive Director/Chief of Public Safety, in collaboration with the Office of Communications and the Assistant Vice President and the Dean of Students (or their designees), will be jointly responsible for determining when a timely warning needs to be disseminated to the campus community.

Once a threat is confirmed, UODPS will without delay and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the

professional judgment of first responders (e.g. UODPS, Eugene Police Department and/or Eugene Fire Department), compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the situation.

Timely warnings are typically written by UODPS staff under the direction of department executive leadership. The Office of Communications vets the content and may distribute a "blast" (mass) email to University students and employees, or UODPS may post the timely warning on its [website](#), or both may occur, depending upon the situation. Other methods of distribution may include posting the warning on UODPS Twitter and Facebook or in the Oregon Daily Emerald, a student newspaper.

As additional facts become available, timely warning follow-up information may be disseminated via blast email, the UODPS website, Twitter, Facebook and via the local media.

When Clery crimes occur near a UO campus, UODPS works closely with local law enforcement to ensure that the campus community is notified in a timely manner by distributing timely warnings or posting law enforcement media releases to the UODPS website.

EMERGENCY RESPONSE AND EVACUATION POLICY

The University of Oregon has developed a comprehensive emergency notification system that allows for the use of text messaging, emails, website homepage alerts, classroom alerts, and/or local media to immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff.

Emergency Response

An emergency is an event, expected or unexpected, that poses an immediate threat to the health and safety of students, faculty and staff.

University faculty, staff, and students are instructed through both the emergency procedures flipchart and website to call 9-1-1 to report life threatening emergencies and the Department of Public Safety (541-346-6666) for other emergency assistance.

Confirmation of an emergency is determined when an Incident Commander (per the University's Emergency Operations Plan), Public Safety Officer, fire official or local law enforcement agencies have assessed the situation to confirm that there is an emergency. That confirmation will be communicated to at least one of the following: UODPS Watch Commanders, UODPS Communication and Emergency Response Center dispatchers, UO Emergency Management, or the Office of Communications.

The University of Oregon's Emergency Operations Plan (EOP) is designed to provide the University of Oregon with a management tool to facilitate a timely, effective, efficient, and coordinated emergency response. The EOP establishes a Campus Incident Management Team that utilizes the National Incident Management System-Incident Command System (NIMS ICS) for managing response to emergencies and disaster events and is intended to be fully NIMS compliant.

Emergency Communication Systems

The University uses the UO Alert! system to immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus.

The Incident Commander, in consultation with the Office of Communications, will determine the appropriate segment(s) of the campus community to notify.

The system utilized to communicate with the campus community during a crisis or emergency includes nine modes that can reach the campus and larger community as well as parents:

- **UO Alert!–** Mass Text (<http://em.uoregon.edu/content/sign-uo-alert>)
The UO Alert! text notification system, provided by Blackboard Connect-Ed, allows the university to send emergency text messages to students, faculty and staff through their registered personal cellular devices.

This system is an 'opt-in' system.

- **UO Alert!– Email Notification**
The University of Oregon has the ability to send mass distribution emails to students, faculty and staff members with uoregon.edu email addresses. Uoregon.edu email addresses are automatically added to the system and cannot be opted out.
- **Alerts – Website (<http://alerts.uoregon.edu/>)**
The ALERTS page is used to provide emergency related information to the campus community. The ALERTS webpage can be altered to provide incident specific information or simple alerts. The ALERTS page allows the university to disseminate information beyond those individuals and groups directly associated with the university.
- **UO Homepage Alerts (www.uoregon.edu/)**
The University of Oregon's Office of Communications and UO Emergency Management staff have the ability to post emergency alerts on the UO home page from any Internet-connected computer. This home page alert icon can be linked to additional details located on the ALERTS page.
- **UOEM Homepage (<http://em.uoregon.edu/>)**
The UO Emergency Management program's website is a central location for the community to receive information about incidents affecting the UO campus and community, emergency response procedures for departments or individuals, training opportunities, and preparedness measures for the work or home environment. The UOEM website also provides access to the university's disaster mitigation plan, business continuity plan, emergency operations plan, and pandemic response plan as well as the University emergency procedures manual.
- **Smart Classroom Alerts**
Approximately 44% of classrooms on campus are considered "smart classrooms" in that they have display panels that control all of the technology in the room from computers, projectors, televisions, DVD players, and the lights. The control panels in the rooms can display emergency alert information that can be used in conjunction with UO Alert! messages to make sure that faculty and students in classrooms can be alerted that a UO Alert! message has been sent.
- **UO Parent and Family Association e-mail list (www.uoregon.edu/parents)**
The Office of the Dean of Students maintains an email list of members of the UO Parents Association, who have children who are undergraduates at the UO. This mode allows the university to disseminate information beyond those directly associated with the university. UO Alert email messages are forwarded to UO Parent and Family Association members by Student Affairs staff.
- **Neighborhood Impact Parties List (<http://gcr.uoregon.edu/>)**
Community Relations maintains this email list that includes representatives from the following groups: neighborhood leaders near UO facilities, interested neighbors, City of Eugene Neighborhood Services and Planning staff, local legislative representatives, and residents of east campus student housing. This list can be utilized to provide crisis and emergency information to some of the University's external stakeholders. This mode allows the university to disseminate information beyond those directly associated with the university.
- **Local Media outlets.**
Local media includes the University of Oregon's on-campus FM radio station (KWVA 88.1) as well as other local print, online, radio and television media outlets.

Incident Commanders, UODPS Watch Commanders, and staff from the Office of Communication and Emergency Management are authorized to launch, without further approval, a UO Alert! when an emergency (e.g. an event, expected or unexpected, that poses an immediate threat to the health and safety of students, faculty and staff) has been confirmed and timely notification is necessary and requires immediate action.

Scripts have been developed for the likely scenarios that would require immediate notification. If an appropriate script does not exist, the Incident Commander would determine the content of the notification. The Office of Communications or UO Emergency Management staff would initiate the notification system and the Office of Communication would initiate any follow up notifications.

Potential Incident Commanders include the following departments/units: Public Safety, Environmental Health & Safety, Campus Operations, Health Center, Student Affairs, and Emergency Management (Deputy IC role).

The policy guiding the system confirms that the University of Oregon will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

How to Sign Up for Emergency Notification

To participate in UO Alert!, students, faculty or staff can follow the instructions below.

1. Log into DuckWeb (<http://duckweb.uoregon.edu>)
2. Select the "Personal Information" menu
3. Select the "Enter/Update Emergency Alert Phone" link
4. Enter the text-enabled cell phone number, including area code and then hit "Submit"

Communication with the Larger Community

Some or all of the following methods will be used to disseminate emergency information to the larger community:

- UO homepage alerts (www.uoregon.edu)
- UOEM homepage alerts (<http://em.uoregon.edu>)
- UOAlert! Webpage (<http://alerts.uoregon.edu/>)
- UO Parents Association e-mail list (www.uoregon.edu/parents)
- Campus Community Contact e-mail list (<http://gcr.uoregon.edu/>)
- Local Media

Emergency and Evacuation Procedures

The university publicizes general emergency response and evacuation procedures to the broad campus community through emergency procedures flip charts and posters. The Emergency Management Program website and flipchart include information on how to respond to 13 different hazards/threats and also includes general information about evacuation, evacuation for persons with disabilities, and emergency planning. The poster is a simplified version of the flipchart that covers 6 hazard/threats and includes general information on preparedness and evacuation. Additionally evacuation maps are posted in every on campus residence hall housing facility. Evacuation drills occur at the beginning of each term and are audited for compliance.

The information in the Emergency Procedures Flipchart and Poster are written for use by all University of Oregon facilities including those distant from the Eugene campus (including OIMB and UO in Portland). The UO Portland facility recently developed a site specific Emergency Procedures poster. The telephone numbers listed in the flipchart, with the exception of 9-1-1, are telephone numbers for resources located on the Eugene campus. The posters and flipcharts are distributed to the community via Building Managers and the information contained on both the poster and flip chart is always available on-line at the Emergency Management Program website. Evacuation information is provided for emergency evacuation, non-emergency evacuation, shelter in place situations, and evacuation for persons with disabilities. Environmental Health & Safety is responsible for identifying evacuation routes and assembly points, and disseminating that information on campus. According to university policy, each department and unit is responsible for developing and testing their evacuation procedures specific to their building and location.

Testing and Exercises

The Emergency Management Program is guided by seven objectives related to preparedness, response, recovery and mitigation activities at the university. Testing and exercises are addressed through Objective 5 in the UO 5-year business plan: *Objective 5 - Enhance disaster preparedness capabilities through preparing, training, and exercising.*

Tests and exercises provide opportunities to evaluate the University's emergency response training and its ability to respond effectively to an emergency. They allow the University to identify weaknesses in policies, plans,

procedures, facilities, equipment, training, and performance. Action items identified during post-exercise and post-test evaluations are recorded for potential incorporation into emergency plans, procedures, and training, as appropriate. The UO Emergency Management Program has overall responsibility for coordinating emergency tests and exercises on campus.

Emergency Notification System

The university's emergency notification system is tested on at least an annual basis. The test is an opportunity to remind the campus community about established evacuation procedures. Each test is documented and includes the date, time, and whether the test was announced or unannounced. The university's emergency notification system was tested once in 2010. The following is a summary of that test:

- February 25, 2010 – 0747 – announced to the campus community – text and email notification.

Evacuation and Emergency Response Drill

Each year, the UO Emergency Management Program conducts at least one table-top exercise. These exercises are considered an opportunity for specialized training related to the threats confronting campus or for anticipated scenarios such as athletic events or hazardous material incidents. Additionally, exercises bring together internal and external partners to enhance interoperability and provide opportunities to test the emergency notification system on campus. All exercises include an after action report that evaluate response plans, efficacy of implementation, and opportunities for improvement.

The university's evacuation procedures were tested once in 2010. The following is a summary of those tests:

- August 19, 2010 – 0930 – planned evacuation drill with individuals in the School of Music (functional exercise).

The university's emergency response protocols were tested once in 2010. The following is a summary of those tests.

- August 20, 2010 – football exercise with internal and external partners to test response roles and responsibilities (tabletop exercise).

SEXUAL ASSAULT PREVENTION AND RESPONSE

For students who are sexually assaulted:

- Victims are advised to get to a place of safety. Contact someone trusted for support.
- Victims are advised to preserve any physical evidence. Do not shower, bath, wash or use the toilet. Do not smoke or brush teeth. Do not eat or drink. Do not wash clothes, sheets, blankets or other items. Place anything of evidentiary value in a paper bag.
- Victims are advised to get medical attention as soon as possible. Medication to prevent pregnancy and sexually transmitted infections is available. A medical sexual assault forensic exam may be completed within 84 hours to collect evidence in case the victim decides to report the assault at a later date. Partial evidence may also be collected within one week. The [University Health Center](#) has a Sexual Assault Nurse Examiner (S.A.N.E. nurse) on duty during [clinic hours](#) for forensic evidence collection. After hours a local hospital can be contacted (see Additional Assistance section below for a list of local hospitals and services).
- A staff member at the University of Oregon can help victims through the process, provide emotional support and explain options.
 - For a student, support services are available through the [University Counseling and Testing Center](#).
 - For an employee, the [Office of Affirmative Action and Equal Opportunity](#) and [Office of Human Resources](#) can assist in connecting to resources.

Other community resources available are Sexual Assault Support Services (SASS), 541-484-9791, and Womenspace, 541-485-8232.

- Students and employees are encouraged to report an incident of unwanted sexual behavior or harassment to the University Department of Public Safety. UODPS strongly advocates that victims do this as soon as possible. Call 9-1-1, or call 541-346-2919 to report it to UODPS. If the incident occurred off campus call 9-1-1, or call Eugene Police Department at 541-682-5111.
- Institutional personnel are available to assist with the process of notifying authorities. When a sexual assault is committed, the first concern is the safety and well being of the survivor. The university recognizes the sensitive nature of these crimes and respects the privacy and choice of the individual.
- After an assault, the University of Oregon is obligated to comply with a student's request for a living and/or academic situation change following an alleged sex offense. University staff members can work with campus and community partners to arrange appropriate academic and living changes, counseling services, employee assistance programs and support from the victims' assistance program at the district attorney's office.

When the offense was committed by another student, he or she may choose to report the offense to the Office of the Dean of Students or the Office of Student Conduct and Community Standards. The office will attempt to resolve the complaint under the university's Student Conduct Code. If the alleged student perpetrator is found responsible, possible sanctions include expulsion; suspension; negative notation on the transcript; disciplinary probation; restitution; community service; loss of privileges; conduct reprimand; and suspended sanction. For more information about this process, contact the Office of Student Conduct and Community Standards at 541-346-1140. Any person may file a complaint about students' behaviors by filling out an online form at https://oregon-advocate.symplicity.com/public_report.

Administrative Complaint Procedures

Any person can report a violation of the UO sexual misconduct policy to the Office of the Dean of Students, UODPS, and the Eugene Police Department (or any combination of the aforementioned). If the incident is reported to the office of the Dean of Students, the Office of Student Conduct and Community Standards (SCCS) will process the complaint under the University of Oregon Student Conduct Code. There will be an investigation and, if applicable, an administrative conference or panel hearing for the accused student(s). In the event of an administrative conference, possible sanctions include disciplinary probation, community service, loss of privileges, conduct reprimand, and educational activities. In the event of a panel hearing, possible sanctions include the aforementioned and expulsion, suspension, and negative notation on the transcript.

As part of the Student Conduct Code adjudication process, the victim and the accused student are entitled to have others present during a campus disciplinary proceeding. Guidelines for cases involving sexual misconduct are detailed in the Student Conduct Code. Additional information concerning the student conduct process can be obtained from the Office of the Dean of Students or SCCS.

Both the victim and the accused student will be informed of the outcome of the hearing. A student found responsible of violating the Student Conduct Code may be suspended or expelled from the University. The student conduct process does not preclude the case from being criminally prosecuted in the state courts.

The institution will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the results of any disciplinary hearing conducted by the college against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, the institution will provide the results of the disciplinary hearing to the victim's next of kin.

Educational Programs

The University of Oregon offers the following educational programs and training to promote the awareness of sexual assault, acquaintance rape and other forcible and non-forcible sex offenses:

- Pre-service and in-service training for student employees and faculty and staff members.
- Workshops and seminars offered to campus groups and living organizations on sexual assault prevention, self-defense and responding to assault survivors.

- Sexual assault and harassment prevention seminars offered to international students.

Sexual Wellness Advocacy Team (SWAT), an innovative peer theater education program, consists of a group of students committed to ending sexual assault, relationship violence and stalking at the University of Oregon. SWAT creates and facilitates workshops on consent, relationships, dating violence and intervening with friends. In addition, SWAT provides theater performances to all incoming students at summer IntroDUCKtion.

The ASUO Women's Center provides trainings and workshops on topics ranging from self-defense to sexual assault, power and oppression. They also partner with SASS to organize Take Back the Night, an annual rally, to march and speak out where survivors of sexual violence and their allies come together to share their individual and collective strength and to continue to fight the systematic oppression that leads to sexual violence. In addition, they partner with other campus and community partners to offer programs during Domestic Violence Awareness Month in October.

The Alliance for Sexual Assault Prevention (ASAP) offers programs during the month of April, nationally recognized as Sexual Assault Awareness Month, and throughout the academic year.

During summer orientation sessions (IntroDUCKtion), incoming students attend a presentation on sexual assault prevention, entitled, "It Can't Be Rape."

Effective winter 2011, UODPS will be offering Rape Aggression Defense System (RAD) training to students and employees. It is a comprehensive course that begins with awareness, prevention, risk reduction and avoidance, while progressing on to the basics of hands-on defense training. Certified UODPS RAD instructors will teach the courses provided.

Additional Assistance

Legislation passed in Oregon in 2003 and 2008 allows victims of sexual assault to obtain a medical and forensic exam at no charge while remaining anonymous and without contacting the police. Most hospitals in Oregon provide this free service (see list of local hospitals at the end of this section).

- **HB 2154 – Forensic Enhancement Bill (Safe Kit):** Eliminates the requirement for law enforcement authorization prior to collection of an Oregon State Police (OSP) SAFE Kit.

This bill amends ORS Chapter 147 so that victims of sexual assault can consent to the collection of an OSP SAFE Kit regardless of whether the victim reports the assault to a law enforcement agency; *ensures that collection of the Oregon State Police SAFE Kit is conducted in a manner intended to protect the victim's identity;*

and defines the conditions under which the Department of Justice must reimburse medical providers for complete sexual assault medical examinations.

HB 2154 is designed to aid in the preservation of valuable forensic evidence through immediate collection of the OSP SAFE Kit. Law enforcement and prosecutors will have access to fragile and time-sensitive evidence thereby contributing to a successful investigation and prosecution. *Likewise, eliminating law enforcement authorization of OSP SAFE Kits will provide victims the option of having evidence collected while giving them time to come forward in the aftermath of a sexual assault.*

- **SB 752: Sexual Assault Victims' Emergency Medical Response Fund (SAVE Fund):** Provides funding for a medical exam and collection of DNA evidence for victims of rape and sexual assault.

At the request of the Attorney General's Sexual Assault Task Force, the 2003 Legislature created the Sexual Assault Victims' Emergency Medical Response Fund. The Fund contains no general revenue and is comprised of dollars from the Criminal Injuries Compensation Account of the Department of Justice, federal funds and private donations.

This Fund will ensure that medical assessments are available to every sexual assault victim in the state, regardless of ability to pay. As of March 1, 2004, when going to a hospital or clinic, sexual assault victims will receive medical care and if requested, medications to prevent sexually transmitted diseases and/or pregnancy. If the victim chooses to report the incident, the appropriate law enforcement agency will be contacted to approve the collection of forensic evidence using the OSP Sexual Assault Forensic Evidence (SAFE) Kit. As is current practice, a law enforcement officer will be on hand to collect the SAFE Kit from medical staff to preserve the chain of custody. What has changed is that the Fund will pay the hospital for collecting the evidence and no local law enforcement agency will be billed for these costs.

SB 752 pays for a "Complete Medical Assessment," which includes a medical examination and the collection of forensic evidence; the Complete Medical Assessment must be conducted within 84 hours of the assault. The Fund also pays for a "Partial Medical Assessment" which does not include the collection of forensic evidence and must be conducted within seven days of the assault. The Fund will not cover the cost of treatment of injuries. The creation of this Fund does not make changes to the child abuse medical assessment statutes; they remain the same.

Local area hospitals which provide this service:

SEX OFFENDER REGISTRATION INFORMATION

The Campus Sex Crimes Prevention Act (Section 1601 of Public Law 106-386), a federal law enacted on October 28, 2000, provides for the tracking of convicted, registered sex offenders enrolled as students at institutions of higher education or working or volunteering on campus. The act amends the Jacob Wetterling Crimes against Children and Sexually Violent Offender Registration Act to require sex offenders already required to register in a state to provide notice, as required under state law, of each institution of higher education in that state at which

the person is employed, carries on a vocation, or is a student. It requires that state procedures ensure this registration information is promptly made available to law enforcement agencies with jurisdiction where the institutions are located and that it is entered into appropriate state records or data systems.

These changes took effect October 28, 2002. The act also amends the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act to require institutions of higher education to issue a statement, in addition to other disclosures required under that act, to advise the campus community where to obtain law enforcement agency information provided by a state concerning registered sex offenders. These changes took effect October 28, 2002 and this notice has been a requirement beginning with the annual security report due October 1, 2003.

Oregon law was amended in 2005 (HB 2299) to make these requirements effective January 1, 2006. Under state law, sex-offender information may be obtained through local law enforcement agencies and the Oregon State Police and requestors may access this information using a variety of search criteria, such as name, address, ZIP code, or county. Another law passed in 2005, HB 3486, mandates the posting to a public Internet site of information about predatory sex offenders and dangerous, sexually violent offenders.

Oregon sex offender law again changed in 2007 (HB2333), which amended the criteria for sex offender registration for certain crimes that do not qualify for sex offender registration based on the circumstances of the incident. To read the changes, effective January 1, 2008: http://www.oregon.gov/OSP/SOR/whats_new.shtml.

How to Obtain Sex Offender Information

Oregon State Police:

- Oregon State Police will provide, upon request, a list (updated monthly) of sex offenders enrolled at, or employed at an institution of higher education. This list can be obtained by calling the Sex Offender Unit at 503-378-3725. In accordance with federal law requirements, this information, as it becomes known, is promptly made available to UODPS. However state law prohibits UODPS from releasing this information to the public.
- A list of offenders, both on and off supervision, including those posted to the public website and those who are not, can be obtained by calling the Oregon State Police at 503-378-3725 Extension 44429 or by emailing a request to Sexoffender.Questions@state.or.us. Most requests are processed within 1 week, however, circumstances may require a longer response time.
- To look up information on predatory sex offenders by name and location: <http://sexoffenders.oregon.gov/>.
- Provides a sex offender FAQ section including the definition of "Predatory Sex Offender": <http://egov.oregon.gov/OSP/SOR/faqs.shtml>
- For information on the sex offender registration program: http://www.odva.state.or.us/OSP/SOR/prog_info.shtml
- Further questions may be directed to the Oregon State Police Sex Offender Unit:

Oregon State Police Sex Offender Registration Unit
4th Floor, 255 Capitol SE, Salem OR 97310
Phone 503-378-3725

Lane County Parole and Probation Services

Offenders currently under parole, post-prison supervision, probation or under the jurisdiction of a juvenile court fall under the authority of their supervising agency. Information on these offenders through the registry is limited by law. Questions regarding conditions, restrictions and address information should be directed to the supervising agency.

- Further questions may be directed to Lane County Parole and Probation Services:

SECURITY OF AND ACCESS TO FACILITIES

Eugene Campus

During business hours, the University of Oregon and most buildings (excluding certain UO Housing facilities) will be open to students, parents, employees, contractors, guests and invitees. During non-business hours, authorized persons may access university facilities by key or electronic card, if issued. In periods of extended closure, only persons with prior written approval will be admitted to university buildings and facilities.

Some university buildings have hours that vary based on specific academic use and other seasonal events. The schedule for these facilities is developed by the designated building manager.

Residence halls are secured 24 hours a day with a key or electronic card required for access. In each residence hall, Student Staff members are on duty 7:00pm to 9:00am on weekdays and 24 hours on weekends. A Complex Director is available to consult on safety concerns in all halls. Student Staff members complete at least two sets of building rounds, during which they address safety and behavioral issues with students. When a resident is locked out of their room, they can check out a spare key from the area desk daily from 9:00am to 10:00pm, or by contacting the Student Staff on duty from 10:00pm to 9:00am. No door-to-door soliciting or distributing of leaflets is allowed. Over extended breaks, access to these facilities will be restricted and residents may not enter without permission from UO Housing.

The university maintains facilities and landscaping in a manner that minimizes unsafe conditions. UODPS regularly patrols campus and officers regularly check for malfunctioning lighting, locks and other unsafe conditions in buildings, bike racks and on walkways. When officers or staff locate a problem it is reported to Campus Operations for correction. All members of the community can report equipment problems to Campus Operations at 541-346-2319. UO Telecom conducts regularly scheduled tests of all emergency phones on campus. Dispatch reports emergency phone issues to UO Telecom as they occur.

Security surveys will be conducted at the request of individual facility administrators. These surveys examine issues such as physical security, alarms, landscaping, lighting and communications. Additionally, during the academic year, Campus Operations, Housing and Public Safety meet regularly to discuss issues of mutual concern.

UO in Portland

During business hours, the University of Oregon in Portland is open to students, parents, employees, contractors, guests and invitees. During non-business hours, authorized persons may access university facilities by key or electronic card, if issued.

The UO in Portland hours vary based on specific academic use and other seasonal events. The schedule for these facilities will be developed by the designated building manager or department responsible.

Emergencies may necessitate changes or alterations to regular building schedules. Security surveys will be conducted on facilities that are problematic. These surveys examine issues such as physical security, alarms, landscaping, lighting and communications.

Oregon Institute of Marine Biology

During business hours, the University of Oregon Institute of Marine Biology is open to students, parents, employees, contractors, guests and invitees. During non-business hours, authorized persons may access facilities by key, if issued.

The Oregon Institute of Marine Biology hours vary based on specific academic use and other seasonal events. The schedule for these facilities will be developed by the designated building manager or department responsible.

Emergencies may necessitate changes or alterations to regular building schedules. Security surveys will be conducted on facilities that are problematic. These surveys examine issues such as physical security, alarms, landscaping, lighting and communications.

CAMPUS POLICE AUTHORITY AND JURISDICTION

Eugene Campus

UODPS public safety officers are the primary law enforcement providers on campus. UODPS officers attend training in accordance with standards established by the Oregon Department of Public Safety Standards and Training. UODPS officers also participate in regional reserve police officer academies. Under the Oregon Revised Statutes (Section 352.385) commissioned officers possess stop-and-frisk authority and probable cause arrest authority. In addition, the Eugene Municipal Code (EC 4.035) provides UODPS officers with violation and misdemeanor citation authority. If minor offenses involving University rules and regulations are committed by a University student, UODPS officers may also refer the individual to the Office of Student Conduct and Community Standards for possible disciplinary action. Pursuant to 2011 Oregon Law, Chapter 506, effective on 6/23/11, the university is considering transitioning UODPS to a sworn police department.²

Public safety officers deliver law enforcement and first-responder emergency services, provide building security and preventive patrols, unlock doors and perform other public safety functions. Major offenses such as rape, murder, aggravated assault and robbery may include joint investigative efforts between the Eugene Police Department (EPD) and UODPS. The prosecution of all criminal offenses, both felony and misdemeanor, are conducted at either municipal, circuit or federal court. UODPS personnel work closely with local, state and federal law enforcement agencies. All university owned, leased or rented property in outlying areas of the City is patrolled by UODPS.

UODPS maintains LEDS/AIRS terminals (Law Enforcement Data System/Area Information Records System). Through this system UODPS personnel can access the National Crime Information Computer system, criminal history data, nationwide police records and driver/vehicle identification information, as well as other local, state and federal law enforcement information. UODPS subscribes to the Lane Regional Interoperability Group and the regional CAD system which promotes interoperability with countywide services and provides direct radio communication with other emergency response agencies.

UODPS offers additional services to the law enforcement and campus community. Dispatch service is provided for Lane Community College Public Safety. UODPS provides Live Scan fingerprinting services which captures fingerprints and palm prints electronically.

UO in Portland

The UO in Portland, through its property management firm, has on-site contracted security service (Pacific Patrol Services 503-595-3440) which provides building and event security as well as interior and exterior (foot and bicycle) patrol services. The contracted security service acts as a liaison with the Portland Police Bureau (503-823-3333 non-emergency). The security service does not have arrest authority. UODPS provides oversight for campus safety and security services at the UO in Portland campus.

Oregon Institute of Marine Biology (OIMB)

There are no on-site security services at OIMB, which is located on the Oregon coast, in the jurisdiction of the Coos County Sheriff's Department (541-396-3121 ext. 371 non-emergency). The sheriff's department deputies patrol the area surrounding campus, respond to calls for service on campus, provide emergency services and uphold local and state statutes. UODPS provides oversight for campus safety and security services at the Oregon Institute of Marine Biology.

² An Oregon Revised Statute has not yet been assigned.

OFF CAMPUS CRIMINAL ACTIVITY

Eugene Campus

The Eugene Police Department has primary jurisdiction in all areas off campus within city limits. The Office of the Dean of Students and UODPS members, in particular the Safe Campus Team, enjoy a close working relationship utilizing a cooperative team approach with the Eugene Police Department when violations of local, state or federal laws occur. The Office of the Dean of Students maintains contact with recognized fraternity and sorority organizations through the efforts of the Greek Life Advisor. UODPS officers do not provide law enforcement services to off-campus residences of recognized fraternity and sorority organizations. Criminal activity at recognized fraternity and sororities residences is monitored and recorded by the Eugene Police Department.

All Other Campuses

Criminal incidents occurring to UO facilities and property or to UO faculty, staff or students at off-campus locations should be reported to the local law enforcement agency where the crime occurs. UODPS should also be notified so that UODPS can monitor and track crime, provide any needed support services and perform follow up.

ALCOHOL AND ILLEGAL DRUGS

The University of Oregon (UO) is concerned about the intellectual, physical and psychological well-being of all students and employees. The UO is fundamentally opposed to the use of illegal drugs and the abuse of alcohol and other harmful substances. It is the policy of the University of Oregon to proactively prevent students and employees from injuring themselves through the use and abuse of drugs and alcohol and the university seeks to engage the members of its academic community in the fight to prevent drug and alcohol abuse.

UO Drug and Alcohol Policy for Employees

For faculty and staff at the University, Human Resources publishes a drug and alcohol policy statement on its website, establishing the UO as a drug-free workplace. A portion of the policy clarifies this as a condition of employment. In addition, UO employees receive a written copy of this policy statement annually. Faculty and staff at UO must abide by the UO drug and alcohol policy and state and federal drug and alcohol laws.

Policy Statement:

The illegal use, possession, or distribution of drugs and alcohol on institutionally-owned or controlled property or as part of any University activity is proscribed conduct (See Oregon Administrative Rule (OAR) 580-22-045(8)). The manufacture of illegal drugs on institutionally-owned or controlled property is a malicious misuse or an unauthorized use of institutional property and is also proscribed conduct (See Oregon Administrative Rule (OAR) 580-22-045(5) and (7)).

The University may impose disciplinary sanctions against any student or employee found to have violated this rule, consistent with applicable provisions of state laws and regulations, collective bargaining agreements and University and Oregon State Board of Higher Education administrative rules. The permissible sanctions include, but are not limited to, suspension, without pay, and termination of employment. The University also reserves the right to refer employees' and students' actions to appropriate civil authorities for possible prosecution.

All University employees must agree to abide by the University's rules and policies as a condition of their employment. In addition, all University employees shall receive annually a written copy of this policy statement.

Federal law and this policy require all University employees, as a condition of their employment, to notify the University within five days should they be convicted for violating, while at the workplace, any criminal drug statute. Employees shall give such notification in writing to their immediate supervisor with a copy to the Office of Human Resources. The University is then required to notify the applicable Federal agency if the employee is directly or indirectly engaged in the performance of a federal grant or contract. The Office of Human Resources will contact the Office of the Vice President for Research to determine the appropriate notification process. The University's Vice President for Research shall notify the granting or contracting agency (if required) within ten days of receiving notice that a person employed on any of the University's federal grants and contracts was convicted of violating, while at the workplace, a criminal drug statute.

The University shall impose an appropriate sanction on and/or shall require satisfactory participation in a drug abuse treatment program by any employee convicted of a criminal drug statute violation as described above. Students and employees whom the University finds to have violated the University's rules and policies on the use of drugs and alcohol on campus shall be subject to discipline without regard for the activities of other governmental agencies.

The University, through its Office of Human Resources, shall maintain a drug-free awareness program to inform employees about the dangers of drug abuse, and the availability of the Employee Assistance Program, drug counseling, rehabilitation, and other assistance programs. In addition, all employees shall receive descriptions of applicable legal sanctions under local, state, or federal law and health risks associated with the abuse of drugs and alcohol.

The Office of Human Resources and the Chief Student Affairs Officer shall arrange for the distribution of materials mandated by law and this policy to new and existing employees and students respectively. They shall also be responsible for conducting a biennial review of the University program monitoring legislative changes and ensuring that the appropriate offices comply.

Drug and Alcohol Policy for All Students

Students attending the UO must abide by the Student Conduct Code, published on the Office of the Dean of Students website. The University of Oregon distinguishes its student disciplinary policies from the laws and functions of the larger society. Students, however, are by no means insulated from the law or relieved of the responsibilities of citizenship. Students must also abide by the UO drug and alcohol policy and state and federal drug and alcohol laws.

When a student violates the Student Conduct Code, the university may initiate disciplinary action, referral for civil prosecution, or both in response to violations of the Code. University sanctions are imposed against any student or student organization found in violation. Disciplinary sanctions may include probation, loss of privileges and suspension or expulsion.

Conduct Code Drug and Alcohol Policy:

Oregon Administrative Rule 571-021-0120(3) Standards Relative to the Rights of Individuals and to the Welfare of the University Community. An environment conducive to learning is one where the rights, safety, dignity and worth of every individual are respected. The following conduct endangers such an environment, and threatens the welfare of the University community as a whole:

- (j) Prohibited alcohol use, which includes:
 - (A) Possession or consumption of alcohol by those under 21 years of age on University Premises or at a University Sponsored Activity;
 - (B) Furnishing of alcohol to a person under 21 years of age; or
 - (C) Consumption of an alcoholic beverage by a person at least 21 years of age or furnishing of an alcoholic beverage by or to a person at least 21 years of age, except in such areas and at such times as the University authorizes.
- (k) Prohibited drug use, which includes:
 - (A) Manufacture, processing, distribution, or cultivation of a Drug, including but not limited to marijuana or narcotics, on University Premises or at a University Sponsored Activity, except as expressly permitted by law;
 - (B) Sale of a Drug, including but not limited to marijuana or narcotics, on University Premises or at a University Sponsored Activity; or
 - (C) Possession of a Drug, including but not limited to marijuana or narcotics, on University Premises or at a University Sponsored Activity except as expressly permitted by law.

Drug and Alcohol Policy for Students Residing in Campus Housing

Students residing on campus are held accountable for University Housing rules relating to the use of illegal drugs and alcohol, in addition to the Student Conduct Code, UO drug and alcohol policy, and state and federal laws.

Drug and Alcohol Regulations:

- Residents under the age of 21 are not allowed to consume or possess alcoholic beverages. Possessing, consuming, or furnishing alcoholic beverages is prohibited in public areas and in all areas of Wellness and Substance Free halls (including resident rooms). All local, state and federal alcohol laws are in effect.
- Residents 21 years of age or older not living in a Wellness and Substance Free hall may consume alcohol in the privacy of their room with the door closed.
- Residents 21 years of age or older may only bring alcohol into the residence halls if concealed.
- Residents may not display alcoholic beverage containers, including but not limited to empty containers.
- Possession of a rapid-consumption device (a "beer bong" for example) is prohibited in the residence halls.
- Group activities (five or more people in a room) where alcohol is being consumed are prohibited.
- Illegal use, possession, or furnishing of controlled substances on university owned or controlled property or at university sponsored or supervised activities is prohibited.
- Possession or use of illegal drug paraphernalia is prohibited in the residence halls. Drug paraphernalia includes "bongs", pipes, vaporizers and other devices that may be used to facilitate the consumption of illegal drugs. Any illegal drug paraphernalia found will be confiscated.
- Narcotics and dangerous drugs shall be defined in accordance with the applicable law as well as the University Student Conduct Code.
- Residents and guests may not be intoxicated by alcohol or any controlled substance in the residence halls.
- Minors may not be present where alcohol is being consumed. The only exception is when the minor's roommate is at least 21 years of age and consuming in their shared room.

Local Laws Governing Illegal Drugs and Alcohol

Minor in Possession (MIP): No person under the age of 21 shall attempt to purchase, acquire or have in their possession any alcoholic liquor (ECC 4.115 and ORS 471.430)*. No minor shall have in his or her system any alcoholic liquor (ECC 4.115).

Offense: *Violation*

Fine: *Up to \$250*

Minor Falsely Reporting Age: A person less than a certain age who knowingly purports to be older with the intent of securing a right, benefit or privilege which by law is denied under that certain age (ECC 4.145).

Offense: *Crime*

Fine: *Up to \$500 (Jailable)*

Furnishing Alcohol to a Minor: No one shall sell, give or otherwise make available any alcoholic liquor to a person under the age of 21 years (ECC 4.110 or ORS 471.410).

Offense: *Misdemeanor*

Fine: *Up to \$5,000 (Jailable)*

Allowing Alcohol consumption by Minors: No person who exercises control of private real property shall knowingly allow a minor to drink alcohol on the property or remain on the property after consuming (ECC 4.110(3) or ORS 471.410-3).

Offense: *Violation*

Fine: *Up to \$1,000*

Open Container/Consumption in Public: Consumption of alcoholic liquor or possession of an open alcoholic beverage container is prohibited in all public places and all private property extended to the public for use (ECC 4.190)

Offense: *Crime*

Fine: *Up to \$500 (Jailable)*

Driving Under the Influence of Intoxicants (DUI): A person is driving with 0.08 percent blood alcohol content or more, or is under the influence of an inhalant of controlled substance (813.010).

Offense: *Misdemeanor/Felony*

Fine: *Up to \$6,250 (Jailable)*

Possession of Less than One Ounce of Marijuana: No person shall knowingly or intentionally use or possess less than one avoirdupois ounce of the dried leaves, stems and flowers of the plant marijuana unless used or possessed pursuant to a prescription valid within the state of Oregon (ECC 4.240).
Offense: *Violation* **Fine:** \$250

State Sanctions Governing Illegal Drugs and Alcohol

In Oregon, penalties for possession and distribution are determined by the controlled Substance Schedule upon which the drug appears. Examples from the drug schedules appear below. (Note: Most drugs appear on the same federal and state schedule.)

Schedule I Heroin, LSD, Marijuana, Peyote, Mescaline, Psilocybin

Schedule II Opium, Cocaine, Methamphetamine

Schedule III Amphetamine, Depressants, PCP

Schedule IV Various prescription drugs

Schedule V Other less dangerous prescription drugs and small amounts of certain drugs.

Marijuana

- Delivery for consideration (selling, dealing, or bartering)-Class B felony (up to 10 years and up to \$100,000 fine, plus twice the value of any resulting gain of property or money).
- Delivery not for consideration (less than 1 oz)-Class A misdemeanor (up to 1 year and up to \$2500).
- Delivery not for consideration (less than 5 grams.)-violation (fine of at least \$500, but not more than \$1000).
- Unlawful Possession (more than 1 oz.)-Class B felony (up to 10 years and up to \$100,000 fine, plus twice the value of any resulting gain of property or money).

Schedule I Drugs

- Manufacture or distribution (except marijuana)-Class A felony (up to 20 years and up to \$100,000 fine, plus twice the value of any resulting gain of property or money).
- Unlawful Possession-Class B felony (up to 10 years and up to \$100,000 fine, plus twice the value of any resulting gain of property or money).

Schedule II Drugs

- Manufacture or distribution-Class B felony (up to 10 years and up to \$100,000 fine, plus twice the value of any resulting gain of property or money).
- Unlawful possession-Class C felony (up to 5 years and up to \$100,000 fine, plus twice the value of any resulting gain of property or money).

Schedule III Drugs

- Manufacture or distribution-Class C felony (up to 5 years and up to \$100,000 fine, plus twice the value of any resulting gain of property or money).
- Unlawful Possession-Class A misdemeanor (up to 1 year and up to \$2500 fine, plus twice the value of any resulting gain of property or money).

Schedule IV Drugs

- Manufacture or distribution-Class B misdemeanor (up to 6 months and up to \$1000 fine, plus twice the value of any resulting gain of property or money).
- Unlawful Possession-Class C misdemeanor (up to 30 days and up to \$500 fine, plus twice the value of any resulting gain of property or money).

Schedule V Drugs

- Manufacture or distribution-Class C misdemeanor (30 days and up to \$500, plus twice the value of any resulting gain of property or money).
- Unlawful Possession-violation (\$250 fine, plus twice the value of any resulting gain of property or money).

It is unlawful for a person to manufacture or deliver a schedule 1, 2, or 3 controlled substance within 1,000 feet of the real property comprising a public or private elementary, vocational or secondary school attended by minors (class A felony, penalty of up to 20 years and \$100,000 fine). In addition, the court may order the defendant to pay the cost of prosecution, and the defendant's vehicle used in the crime may be forfeited to the state. Finally, the defendant may forfeit any property used in the crime to the county in which the crime occurred.

Federal Sanctions Governing Illegal Drugs and Alcohol

The federal system establishes sanctions for possession and distribution of controlled substances, based on the schedule of the drug and the amount involved. However, in addition, the statutory sanctions for possession and distribution are subject to the "Sentencing Guidelines for U.S. Courts." Imposition of the guidelines may lead to higher offense levels and, thus, stricter penalties than otherwise indicated. Courts must make adjustments in the offense level for victim-related considerations, defendant's role in the offense, multiple counts, obstruction and acceptance of responsibility. Finally, the guidelines establish sentences for each offense based on the defendant's criminal history. Federal penal sanctions range from: Manufacture, distribution or trafficking of large amounts of heroin, cocaine, PCP, methamphetamine, Schedule I and II hallucinogens, marijuana, hashish, or any of their derivatives (30 years to life, regardless of the defendant's criminal history) to Possession of any Schedule III-V drug if defendant has lowest level or criminal history (0-4 months).

Further, if serious injury or death results from the crime, minimums of up to 10 years (serious injury) and 20 years (death), plus fines of up to \$4,000,000 may be added. These penalties may be doubled for defendants with past felony drug convictions. Finally, penal sanctions in the federal system are "real time," with reductions in sentences only for good behavior.

SUBSTANCE ABUSE PREVENTION AND EDUCATION

The University of Oregon has a long-standing commitment to proactively addressing high-risk drinking and substance abuse on the campus. The UO takes pride in creating a campus that is a celebrative one — a campus not denigrated by the misuse of alcohol and other drugs. Substance abuse prevention programs and services are evidenced-based, comprehensive, and coordinated with campus and community partners.

The following coalitions, departments and community partners work together in a coordinated and comprehensive approach to substance abuse prevention, education and response efforts on campus:

The Office of the Dean of Students:

- Publishes and distributes the annual Drug Free Schools and Community Act Letter to students each year.
- Provides drug and alcohol education and FAQs on their website.
- Creates educational campaigns to promote campus-wide substance abuse prevention efforts.

During summer orientation sessions (IntroDUCKtion), incoming students attend an innovative theater production that focuses on sexual assault, interpersonal violence and high-risk drinking.

Effective fall 2011, the University of Oregon will request all incoming students under the age of 21 to take AlcoholEdu for College, an online primary prevention program, in an effort to support student success.

UO Substance Abuse Prevention Team (SAPT): The UO Substance Abuse Prevention Team (SAPT) is housed within the Office of the Dean of Students and is comprised of campus and community leaders focused on a comprehensive and environmental approach in addressing alcohol and other drug issues on campus. Students, faculty and community members are encouraged to become members of the team. Call 541-346-3216 or email the director of substance abuse prevention and student success at jsummers@uoregon.edu for more information.

The Substance Abuse Prevention Team:

- Serves as a clearinghouse for campus and community members to address substance abuse issues on campus.
- Provides services and programs to assist, support and refer students with issues related to substance use and abuse.
- Provides proactive prevention programs and information related to substance abuse prevention and education.
- Monitors and reviews campus alcohol and drug efforts.
- Coordinates and makes recommendations in developing an overall vision and short-term and long-term goals for the campus regarding substance abuse prevention and education.

CommUniversity Resource Assistant Program is a program within the Office of the Dean of Students that has been designed to improve the quality of life in the neighborhoods adjacent to the UO. Research-based alcohol prevention strategies effective for the neighborhoods surrounding the UO continue to be explored along with the promotion of student involvement in neighborhood leadership positions, providing information to students on responsible hosting, city ordinances and the rights and responsibilities of becoming a responsible member of the community. Monthly newsletters are distributed to off-campus students and an annual off-campus housing fair provides resources and workshops for students.

<http://uodos.uoregon.edu/SupportandEducation/OffCampusLiving/tabid/63/Default.aspx>

University Counseling and Testing Center (UCTC): The University Counseling and Testing Center offers screening, assessment, referral and follow-up, and individual therapy and support classes for students interested in exploring their relationship with alcohol. Choices: A Brief Alcohol Abuse Prevention and Harm Reduction Program is one program offered for those students needing assistance in managing problems caused by alcohol and drug use. The UCTC also offers Drug and Alcohol Clinical Interviews (DACI). The DACI consists of at least two meetings with a UCTC staff member in which the student explores substance use. A New Directions therapy group (offered fall and winter terms) is designed to explore addictive behaviors, raise awareness and provide skills to change undesired behavior patterns. The UCTC provides outreach presentation and ongoing substance abuse assessment training to doctoral interns and permanent clinical staff.

University of Oregon Health Center: The Health Center's professional staff evaluates students' substance use and provides medical consultations, cessation advice, support and referral services to students who have a substance abuse problem. The health center works closely with the University Counseling and Testing Center and refers students to them for further assistance as needed. In addition, the health center staff oversees the peer health education program whereby students go out into their communities to provide fellow students with information on various health topics including substance abuse and prevention.

Substance Abuse Prevention Program (SAPP): The Substance Abuse Prevention Program (SAPP) is a nationally recognized program designed to provide education and increase awareness of alcohol and drug prevention, intervention, treatment and recovery. Participants may earn an Area of Concentration Certificate upon completion of 24 credits in approved substance abuse curriculum. Nontraditional students and working professionals are encouraged to enroll in SAPP evening or weekend courses and workshops.

Campus Partners: Campus Partners has been in existence since the 1980s and meets quarterly to discuss problems and opportunities impacting the university and surrounding community. The purpose of the group includes creating and sustaining positive, collaborative campus-community relationships, increasing communication between representatives, improving campus climate around issues of safety, and assisting and supporting students in learning about their rights and responsibilities to the greater Eugene community. The group is comprised of campus and community members. To find out more about the Campus Partners, contact Greg Rikhoff, 541-346-8128, grikhoff@uoregon.edu, or Paul Shang, 541-346-8128, pshang@uoregon.edu.

Student Conduct and Community Standards: Using an educational approach, Student Conduct and Community Standards works with students to find solutions to issues around alcohol and drug abuse. University Housing promotes responsible student behavior within the on-campus community. This is accomplished through prevention education, the alcohol and drug policies outlined in the residence hall contract and an extensive calendar of drug-free and alcohol-free events throughout the year. In addition, University Housing has developed emergency protocols for drug and alcohol related emergencies in residence halls.

Campus Partnerships

Campus partners along with city leadership coordinate a Community Welcome initiative that welcomes students in off-campus neighborhood populations and provides information about their rights as students and their responsibilities as community members. Incorporated into the materials that are disseminated is information from the Eugene Police Department, UO Department of Public Safety, UO Government and Community Relations, Office of the Dean of Students and City of Eugene Neighborhood Services.

The UO Good Neighbor Workgroup responds proactively to neighborhood concerns that involve incidents in the neighborhoods surrounding the UO and looks for solutions to change behaviors that are affecting the quality of life of others in the neighborhoods. The Office of the Dean of Students provides a Guide to Off-Campus Living to students who live in off-campus neighborhoods.

The UO Alcohol Policy Group reviews campus social host practices to ensure that safeguards have been identified to minimize high-risk and underage drinking and refines responsible beverage service policies and enforcement of alcohol policies on campus.

MISSING STUDENT NOTIFICATION POLICY AND PROCEDURES

If a member of the university community has reason to believe that a student who resides in on-campus housing is missing, he or she should immediately notify UODPS at 541-346-2919. UODPS will generate a missing person report and initiate an investigation. At the Oregon Institute of Marine Biology, call Coos County Sheriff at 541-396-3121, Ext. 371. The UO in Portland does not maintain on-campus housing facilities.

After investigating the missing person report, should UODPS determine that the student is missing, UODPS will notify the Eugene Police Department (EPD) and the student's emergency contact no later than 24 hours after the student is determined to be missing. If the missing student is under the age of 18 and is not an emancipated individual, the University of Oregon will notify the student's custodial parent, legal guardian and any other designated contact person immediately after UODPS has determined that the student has been missing for more than 24 hours.

In addition to registering an emergency contact, students residing in on-campus housing have the option to identify confidentially an individual to be contacted by the University of Oregon in the event the student is determined to be missing for more than 24 hours. If a student has identified such an individual, the University of Oregon will notify that individual no later than 24 hours after the student is determined to be missing.

Students who wish to identify a confidential contact may do so by filling out a confidential missing person form. This form is included in the residence hall application packet sent out to students. When the form is completed and returned, it is then stored in a secure area in the student's residence hall. Only authorized campus officials and law enforcement officers will have access to the confidential missing person form in furtherance of a missing person investigation.

Residence Life Missing Person Procedure:

1. If a student appears to be missing, the Complex Director (CD) or the CD on duty is contacted immediately.
2. The roommate of the alleged missing student is asked if he/she has seen the student or knows where the student may be.
3. The CD/Duty CD will check the meal usage function to see when the last meal was consumed by the alleged missing student.
4. After attempting all of these roles, the CD/CD on duty shall contact UODPS no more than 24 hours after the initial report.

FIRE SAFETY POLICY

University Housing enters into contractual agreements with each student resident. Those agreements include restrictions related to portable electrical appliances, smoking and open flame. Specifically, the residence hall contract language states:

- Possessing, displaying, or burning of flammable materials, including but not limited to, fireworks, candles, incense, gasoline, and kerosene lamps, is hazardous to the health and safety of residents and is prohibited inside the residence halls. Barbecues must be conducted at least fifty feet away from any building.
- No fuel-powered motor vehicles or associated parts are permitted within the residence halls for any purpose.
- All appliances or electrical devices are required to be compatible with 110 volts, 60 cycle power and be UL approved. Extension cords, multi-plug adapters, and the chaining together of power strips is prohibited. When power strips are used, circuit breakers and reset buttons are required.
- Microwave ovens are prohibited. Appliances with open heat sources (toaster ovens and bread toasters, for example) or no thermostat control (hot plates and grills, for example) are prohibited.

- Decorative lighting (string lights) may not be plugged into each other. One set of decorative lights shall be plugged into one approved circuited power strip or wall socket.
- Ceiling lights and lamps of any type, including lava and disco lamps, cannot be covered with hats, towels, or any other fabric.
- A charge of up to \$150 and immediate removal may be imposed for any of the following: smoking within a housing facility, failure to evacuate during fire alarms, activating false alarms in residence halls, propping open fire doors, creating a fire hazard, malicious burning, or tampering with fire equipment (fire extinguishers, plastic ties securing valves, fire alarm pull stations, smoke detectors, fire hose connections, sprinkler heads, sprinkler pipes, hoses, connections, valves, emergency exit signs, etc.).
- University Housing will pay a \$100 reward for information leading to the persons responsible for tampering with fire equipment, activating false alarms, malicious burning, and possession or lighting of fireworks within University Housing property.
- Residents are not to deface, modify, obstruct, or remove "Life Safety" stickers placed on the inside of every residence hall room door.
- Fire and life safety inspections will be conducted periodically for fire hazards. Spot inspections will also occur. Residents will be given at least twenty-four-hours notice and must grant access for these inspections. A \$50 charge per violation will be imposed for not abiding by the received citation or verbal instructions of the inspector or university staff member regarding the correction of fire hazards.

Items and conduct prohibited in the residence halls, which the inspector will be reviewing, are the following:

- Candles of any type (with or without a wick)
- Burning of incense, sage, or any object
- Smoking of any type within the buildings
- Evidence of candles, burning of incense, sage, or any object, and smoking of any type within the buildings
- Drapes hanging over interior entries that block natural exit pathways
- Placing any object too close to the room heaters (within six inches of heater)
- George Foreman or other electric grills
- The hanging of any items over the sprinkler pipes
- The hanging of any items over or covering the smoke detector
- Flammable or combustible materials on the ceiling or covering ceiling lights
- Excessive amounts of combustible materials on exterior room doors, such as paper or decorations
- Multi-plug adaptors (use an approved power strip)
- Extension cords
- Couches & furniture without flame retardant upholstery, or without documentation of flame retardant upholstery
- Space heaters and halogen lamps
- General room organization—residents must be able to exit the room safely
- Smoking: Smoking is not allowed in the interior of any residence hall or dining center. Smoking is permitted outside residence halls and complexes only in designated smoking areas. Please note that fire safety policies for residence hall contracts and family housing agreements differ.

Family housing rental agreement language includes the following:

- Inspection: A fire, safety, and sanitation inspection of each unit will be conducted annually.
- Notification of Fire: In the event of fire, tenant and household members should leave the building and call 9-1-1. The tenant should also notify the Department of Public Safety at 541-346-6666 and the Spencer View Area Office at 541-346-5263.
- Fire Extinguishers: Fire extinguishers must be used for fires only and must not be removed from hanger except to extinguish fires. Expended extinguishers must be reported to the Spencer View Area Office immediately for replacement.
- Smoke Detectors: Tampering with smoke detectors is prohibited and will subject the tenant to a charge of up to \$150. Tampering includes, but is not limited to, covering, removing, disconnecting, or otherwise disabling the unit. This also includes removing the battery and not immediately replacing it. Tenants are responsible for periodically testing smoke detectors and reporting defective detectors to the Spencer View Area Office.
- Plugs and Adaptors: Extension cords, other unapproved electrical cords, and multi-plug adapters are prohibited.

- Combustibles: Use and storage of briquettes, butane, gasoline or gas burning stoves or barbecues, propane, Coleman fuel, charcoal lighter fluid, and all other such items within the unit is prohibited. Combustibles must not be placed within six inches of wall heaters or stove ranges.
- Candles and Incense: Unsafe use of candles and incense is prohibited.
- Space Heaters: Portable space heaters are allowed in family housing but must be UL approved, have a safety tip-over switch, have enclosed heating elements, and be plugged directly into an outlet (no extension cord).
- Halogen Lights: The use of halogen lights and light bulbs is prohibited.
- Smoking: Smoking (including but not limited to cigarettes, cigars, or pipes of any kind) is prohibited in the interior of all units, common areas (including but not limited to community rooms, laundry rooms, etc.) and in buildings owned or operated by University Housing. Smoking is only permitted outside and at least twenty-five feet away from any building.

Student Housing Evacuation Policy and Procedures for Residence Halls:

- All students are required to evacuate their residence when a fire alarm sounds. Residence Life staff members are trained to assist in the building evacuation process. Outside assembly areas are identified for each hall, and students are instructed to meet the Residence Life staff in their designated assembly area.
- Residents are not allowed to re-enter the building until advised by staff members.
- Evacuation maps are posted in each hall.
- In the event students do not evacuate from the building, they will be sent through the student conduct process.
- For questions about evacuation procedures, please call Environmental Health and Safety at 541-346-3192.

Fire Safety Education and Training

Residence hall students attend a mandatory hall meeting at the beginning of the term where fire safety procedures and expectations are reviewed. Unannounced fire drills to practice fire safety procedures are conducted at the beginning of each term.

In addition, University Housing directs residents to its website for fire safety information regarding fire safety, including Tips and Tools, Move-in Guide, and monthly electronic newsletters.

Once each year, inspections are made of each residence (room, apartment or house) by the university fire protection staff. The inspection is intended to identify violations of fire code and contracts. However, the inspection process is also used to educate the resident on fire safety. Any noted violations must be corrected and follow up inspections are conducted by Residence Life or Fire Safety staff members.

Complex Directors and Residence Life staff members receive training each fall. Training includes review of fire safety components of their building, expectations of staff members, evacuation procedures and their role, fire safety policies, and emergency assistance procedures. Staff members are also advised of what to expect during the annual fire safety inspection process. Additionally, fire protection staff members are available throughout the year to advise and counsel staff on fire safety issues or concerns.

Fire Emergency Phone Number

For all situations posing an immediate threat to life:
Call 9-1-1

To Report a Past Fire Situation

- Call UODPS Communications and Response Center (CERC) at 541-346-2919
- Duty Complex Director at 541-431-5326
- Environmental Health and Safety at 541-346-3192

Plans for Future Improvement in Fire Safety

University Housing is currently constructing a new residence hall. This residence hall will have a NFPA and Oregon Fire Code compliant system for an R-2 occupancy building, including fire sprinklers.

Fire Log

The University of Oregon maintains a log of fire events that occur within student housing facilities. The log is available upon request by contacting Environmental Health and Safety at 541-346-3192.

FIRE STATISTICS

Definition of a Fire

For the purposes of fire safety reporting, the Higher Education Act of 2008 defines a fire as *any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.*

Fire Statistics 2008 - 2010

The Department of Education has revised the manner in which fire statistics are to be reported in 2010 as compared to prior years and so the tables will appear differently. The changes to 2010 fire reporting requirements include:

- The address of each facility has now been added.
- Value ranges are now required for approximate value of property damage.
- Fire classifications (cause) now fall under three categories:
 - Intentional - A fire that is ignited, or that results from the deliberate action, in circumstances where the person knows there should not be a fire.
 - Unintentional - A fire that does not involve an intentional human act to ignite or spread into an area where the fire should not be.
 - Undetermined - A fire in which the cause cannot be determined.

2010 Student Housing Facilities Fire Statistics

CLERY DEFINITIONS

Clery Geographic Categories

An institution must report statistics for offenses according to their occurrence in the following locations, or geographic categories:

- **On-campus**
(1) Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution's educational purposes, including residence halls; and (2) any building or property that is within or reasonably contiguous to the area identified in paragraph (1) of the definition, that is owned by an institution but controlled by another person, is frequently used by students, and supports institutional purposes (such as a food or other retail vendor).
- **Residential Facilities**
This definition is a subset of the locations that are defined under "on campus." The crime statistics that are reported in this column are also included in the column under "on campus;" they are not additional incidents.
- **Noncampus**
(1) Any building or property owned or controlled by a student organization that is officially recognized by the institution; or (2) any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution's educational purposes, is frequently used by students and is not within the same reasonably contiguous geographic area of the institution.
- **Public Property**
All public property, including thoroughfares, streets, sidewalks and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus. For example, incidents that occurred on the east side of Alder Street between 14th and 18th Avenues would be reported under this column; but incidents that occurred in private housing on the west side of Alder would not be included. If the incident occurred in an off-campus fraternity or sorority, it would be reported under the column "Non-campus building or property."

Clery Crime Categories

Under the Clery Act, UODPS must annually distribute statistics on the reported occurrences of the following offenses:

Murder and Non-Negligent Manslaughter: The willful (non-negligent) killing of one human being by another. This includes death or injuries received in a fight, argument, quarrel, assault or commission of a crime.

Negligent Manslaughter: The killing of another person through gross negligence.

Forcible Sex Offense: Any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent. This includes forcible rape, forcible sodomy, sexual assault with an object, and forcible fondling.

Non-Forcible Sex Offenses: Unlawful, non-forcible sexual intercourse. This includes incest and statutory rape.

Robbery: The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Aggravated Assault: An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

Burglary: The unlawful entry of a structure to commit a felony or a theft. This includes unlawful entry with intent to commit a larceny or felony; breaking and entering with intent to commit a larceny; housebreaking; and safecracking.

Motor Vehicle Theft: The theft or attempted theft of a motor vehicle.

Arson: Any willful or malicious burnings or attempts to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

Hate Crimes: Defined as any crime that manifests evidence that the victim was selected because of their actual or perceived race; religion; gender; sexual orientation; ethnicity; or physical/mental disabilities. A hate or bias related crime is the commission of a criminal offense which was motivated by the offender's bias. If the facts of the case indicate that the offender was motivated to commit the offense because of his/her bias against the victim's race, gender, religion, sexual orientation, ethnicity, or disability, the offense is then classified as a hate/bias crime.

Clery Arrests and Referrals

The Clery Act also requires disclosure of statistics for liquor law violations, drug law violations and weapons offenses. Reports of these violations are made differently, and reflect the total number of individuals arrested or referred for campus disciplinary action, rather than total number of incidents.

Liquor Law Violation: The violation of state or local laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, or use of alcoholic beverages, not including driving under the influence and drunkenness. This includes: the manufacture, sale, transporting, furnishing, possessing, etc., of intoxicating liquor; maintaining unlawful drinking places; bootlegging; operating still; furnishing liquor to a minor or intemperate person; underage possession; using a vehicle for illegal transportation of liquor; drinking on train or public conveyance; and attempts to commit any of the above.

Drug Law Violation: The violation of laws prohibiting the production, distribution and/or use of certain controlled substances and the equipment or devices utilized in their preparation and/or use. The unlawful cultivation, manufacture, distribution, sale, purchase, use, possession, transportation, or importation of any controlled drug or narcotic substance. Arrests for violations of state and local laws, specifically those relating to the unlawful possession, sale, use, growing, manufacturing and making of narcotic drugs. The relevant substances include: opium, or cocaine and the derivatives (morphine, heroin, codeine); marijuana; synthetic narcotics – manufactured narcotics which can cause true addiction (Demerol, methadone); and dangerous non-narcotic drugs (barbiturates, Benzedrine).

Illegal Weapons Possession: The violation of laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, concealment, or use of firearms, cutting instruments, explosives, incendiary devices or other deadly weapons. This classification encompasses weapons offenses that are regulatory in nature. This also includes the manufacture, sale, or possession of deadly weapons; carrying deadly weapons, concealed or openly; using, manufacturing, etc., of silencers; furnishing deadly weapons to minors; aliens possessing deadly weapons; and attempts to commit any of the above.

Arrest: Persons processed by arrest, citation or summons. An arrest has occurred when a law enforcement officer detains an adult with the intention or seeking charges against the individual for the specific offense(s) and a record is made of the detention. A juvenile should be counted as "arrested" when the circumstances are such that if the individual were an adult, an arrest would have been counted.

Referred for Disciplinary Action: The referral of any person to any official who initiates a disciplinary action of which a record is kept and which may result in the imposition of a sanction.

CLERY CRIME STATISTICS

The crime statistics shown in the following tables are for the last three calendar years, 2008, 2009 and 2010. Crime statistics shown are for the year in which they are reported and not necessarily in the year they occurred. Reported crimes may involve individuals not associated with the University of Oregon.

The Department of Education allows for presenting hate crime information in either a tabular or in a narrative or descriptive format. In prior years UODPS provided this information in tabular format. This year, UODPS has elected to list hate crime statistics in a descriptive format directly below the crime statistics table for each campus.

The below listed statistics may differ from previous publications of this data from year to year. These differences may be due to revised reporting requirements and updates to the Higher Education Opportunity Act and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. These differences may be noted below each table.

Eugene Campus Crime Statistics

Offense Category	On-Campus				Residential Facilities ³				Non-Campus				Public Property		
	2008	2009	2010		2008	2009	2010		2008	2009	2010		2008	2009	2010
Murder/Non-Negligent Manslaughter	0	0	0		0	0	0		0	0	0		0	0	0
Negligent Manslaughter	0	0	0		0	0	0		0	0	0		0	0	0
Sex Offenses, Forcible	8	6	7		8	5	3		1	1	3		0	2	2
Sex Offenses, Non-Forcible	0	0	0		0	0	0		0	0	0		0	0	0
Robbery	0	1	1		0	0	0		0	0	0		1	1	3
Aggravated Assault	2	0	2		0	0	0		0	3	0		0	2	3
Burglary ⁴	14	25	14		8	9	10		5	8	4		0	0	0

Drug Law Arrests	76	89	128		26	35	48		0	4	11		0	11	6
Weapons Arrests	1	0	2		0	0	0		0	0	0		0	0	1

Disciplinary Referrals

Liquor Law Violations	1180	1222	1030		1179	1142	1013		44	54	4		0	11	0
Drug Law Violations	487	296	101		486	264	78		10	0	4		0	3	0
Weapons Violations	0	0	0		0	0	0		0	0	0		0	0	0

HATE CRIMES

2010: One on-campus vandalism incident characterized by sexual orientation bias.

2009: One hate crime was reported, however investigation was unable to determine if the offender was motivated by bias. Subsequently this incident was not reported to the Department of Education as a hate crime.

2008: No hate crimes reported.

³ Statistics for "Residential Facilities" are also counted in the "On-Campus" crime category. The law requires institutions to break out the number of "On-Campus" crimes that occur in residential facilities.

⁴ In accordance with Oregon Revised Statutes and Federal Uniform Crime Reporting guidelines, there were 25 reported burglaries to UO properties in 2010. Due to new and revised burglary classification guidance issued by the Higher Education Act in 2010, not all of the reported burglaries meet the revised Clery crime classification conditions under the new guidelines. Previous guidance was in effect for prior years; subsequently these stats have not been changed.

UO in Portland⁵ Crime Statistics

Offense Category	On-Campus				Public Property		
	2008	2009	2010		2008	2009	2010
Murder/Non-Negligent Manslaughter	0	0	0		0	0	0
Negligent Manslaughter	0	0	0		0	0	0

Weapons Violations	0	0	0		0	0	0

HATE CRIMES: There were no hate crimes for the years 2008, 2009 or 2010.

⁵ The UO in Portland Campus, according to Department of Education requirements, did not become eligible for statistical disclosure as a distinct satellite campus until 2008. Prior to that, statistics from this location were reported in the non-campus category in the Eugene Campus table.

There are no residential facilities at the UO in Portland Campus and so this column is not shown in the table above.

The University of Oregon owns several properties in the Portland area that predate the opening of the UO in Portland campus. Historically, Clery crimes occurring at these properties have been listed in the non-campus column of the Eugene Campus table. For consistency in reporting, these properties will continue to be listed this manner; subsequently, the non-campus column is not necessary or included in the table above.
